last class summary:

we learned about grammar and how different people go about learning grammar

grammar isn't learned but acquired from our environment. it is more intuitive than technical.

we learned how people's intelligence are often

richiks sunday

i just sit on my laptop and play video games. i also do my laundry . i talk to my parents on my phone. time passes by very quickly on a sunday.

2:05:19 PM

the last class we learned about present tenses.

sentences that convey a universal fact are often in simple present tense.

sentences that describe a routine action are also expressed in present tense. we demonstrated this by writing about

##2:56:42 PM

the teacher divided the class into 11 different groups of 5-6. the teacher shared an embarrassing story of hers and asked us to do the same within our group.

good-looking is an adjective and not a verb

regular vs irregular verb

regular - v + ed

work - worked

play - played

present perfect

subject + have/has + past participle form of the verb

summary

played never have i ever to understand present perfect form of sentences

learnrt

present perfect

subject + have/has + past participle form of the verb

mistakes

nil

2:22:55 PM

present perfect continuous form

subject + have/has + been + verb + ing

adi dictate

i think ive lived a very interesting life. im 73 now. i dont work anymore. i was in the army for 51 years. i retired when i was 69. i live in a small town in mushidabhad. i have lived here for the past 20 years. to be precise i have lived here since 1995. i have been to so many countries that i cant remember all of them. ive been to bhutan six or seven times and to chine three times. i have also been to austrailia once but i didnt like it at all: much too cold for me. i have never been to europw but i would like to. i havent travelled since ive visited my children last month.

period. they say that love is the greatest thing and i agree. ive been married four times but never for more than five years. i dont think people really understand me. i have been married four times but i havent found my soulmate yet.

summary

prsent perfect continuous, walked around class asking how long / how many questions.

how long have you been codong for?

2 years

how many phones do you own?

1
